Vitelity Vision Statement

To empower our customers with innovative products and services that enable them to successfully compete in the IP communications industry.

Lowest startup costs of any CLEC

- \$299 setup fee
- \$299 monthly minimum
- 90-day ramp up

Reasons Why You Should Partner with Vitelity

- Over 18 million local and toll-free numbers in service.
- Approximately 2.3 billion minutes switched per month.
- Largest local DID footprint in North America with 13,000+ rate center and 54% more coverage than our closest competitor.
- Switching/POPs in Denver, Minneapolis, Miami, Los Angeles, New York, Chicago, Dallas, Atlanta, Seattle, Des Moines and Salt Lake City.
- More than 29,000 accounts served.
- Online order & service portal for instant access, provisioning and reporting.
- Best-of-breed carrier solutions from Sonus, FreeSWITCH and Cisco.
- 20,000+ square feet of VoIP-optimized IP PBX hosting and colocation space

Vitelity eVARs Enjoy These Benefits

- Free test/interop account upon qualification.
- 30-60% off of our already low retail pricing.
- Volume (tiered) discounts beyond our already low wholesale rates.
- Dedicated wholesale account manager.
- Fax portal URL branding (one-time \$99 setup fee).
- Access to our full NPA-NXX and dialer termination rate decks.
- Access to our premium wholesale A-Z rate deck.
- Prepare end-customer (sub-account) invoices.
